## About This Game

The weather on the holiday is exceptionally good, and the fisherman drives a motorboat to go fishing.

There are so many beautiful fish swimming under the sea.

You can move the boat to the left or right and drop the hook. Fishing for fish.

There are other treasures on the sea floor, such as treasure chests, old alarm clocks, and even grenades, you can catch them.

The sky sometimes flies over the raft, and they leave the hard stone. On the bottom of the sea, there are fierce sharks, huge whales, flying fish, and cockroaches. They are harmful and need to be avoided.

### Features:

Using the open source Irrlicht 3D engine to make beautiful seas, motorboats, underwater creatures, sporting fish, flying fish.

The game has a total of 6 scenes.

More than 10 kinds of normal fish.
